TO WHOM IT MAY CONCERN

This letter serves as testimony for Mr. Kgomotso Gule's track record with The Department of Social Development, following the services that he has provided to DSD from 2017 to date.

Kgomotso was responsible for compiling the "DSD-NPO Partnership Model." The Partnership Model is an overarching document that is intended to govern the relationship between the Department of Social Development and the Non-Profit Organisations that are sponsored by the department. The process of formulating the partnership model involved extensive literature review, workshop facilitation with various stakeholders; data analysis and report writing as well as the compilation of an implementation plan. Kgomotso was the lead consultant in all these activities and we can attest to his professionalism, high work ethic and attention to detail. The Partnership model document was completed in 2017.

In 2020, Moloko Grace Advisory was appointed by DSD to review the implementation of the Gender-Based Violence Command Centre with Kgomotso as the Project Manager. The project involved a systems and process audit, one on one interviews with various stakeholders and DSD officials, group discussions, report writing and presentation. Kgomotso ability to engage with various stakeholders as well as integrate and streamline various aspects of the project was outstanding.

Kgomotso continues to be one of our reliable service providers in policy development.

Mr. T. Buthelezi
